Document Two Accepting a Horse for Treatment

1. Contact is made with Tendonology via telephone numbers, 0044 (0)844 879 3374 or mobile: 07718 539910 concerning a horse with a tendon or ligament condition/injury
2. Information about the Tendonology treatment process is found in *The Treatment Process*, Document One outlining the Treatment Process
3. The horse is referred by the owner, trainer or vet for treatment and or assessment
4. The horse's attending veterinary clinician classifies the condition according to the *Tendonology Grade of Pathology*, Document Three
5. The referrer completes the Tendonology *Pre Treatment* form (Document Four)
6. Tendonology provides an outline prognosis and an estimated duration of stay based upon this assessment
7. The Tendonology *Treatment Agreement* (Document Five) is read, completed and signed by the authorised referrer and should be forwarded to Tendonology before the horse's arrival or to accompany the horse to the treatment centre. As part of our insurance conditions Tendonology cannot accept a horse under any circumstances without this consent agreement signed
8. The deposit payment is made a bank BACS or CHAPS transfer to the following account:
 - 📍 Bank: Weatherbys Bank, Sanders Road, Northampton, NN8 4BX
 - 📍 Account Name: Box Nine Ltd
 - 📍 Account Number: 00598464
 - 📍 Sort Code: 60-93-03

9. A mutually convenient date is arranged for the admission of the horse

10. The horse arrives with the following:

- Passport: For vaccination and identification purposes
- Completed and signed Treatment Agreement form (Document Five).
- Completed Tendonology Pre Treatment form (Document Four).
- Deposit Paid

Without the above Tendonology regrets that it is unable to accept the horse for treatment.

10. Upon arrival the horse will be fully assessed by the attending veterinarian, farrier, and Tendonology staff and a more precise treatment schedule is communicated to the referring party.
